Sir:

In response to an Official Action dated April 15, 2005, Applicant respectfully submits the following remarks. This application contains claims 1-32, all of which were rejected in the present Official Action. Reconsideration is requested in view of the remarks that follow.

Claims 1-32 were rejected under 35 U.S.C. 102(e) over Chang et al. (U.S. Patent 6,848,004). Applicant respectfully traverses this rejection. Applicant submits herewith a Declaration under 37 C.F.R. 132 proving that the elements of the present invention that are disclosed but not claimed in Chang were derived from the Applicants in the present patent application. In view of this Declaration, Chang is disqualified as prior art against the present patent

application. Therefore, claims 1-32 are believed to be patentable.

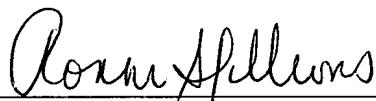

Applicant has studied the additional references cited by the Examiner and believes that the claims currently pending in the present application are patentable over these references, as well.

Applicant believes the remarks presented hereinabove to be fully responsive to all of the grounds of rejection raised by the Examiner. In view of these remarks, Applicant respectfully submits that all of the claims in the present application are in order for allowance. Notice to this effect is hereby requested.

If the Examiner has any questions he is invited to contact the undersigned at 202-628-5197.

Respectfully submitted,
